Staff Legal Advisers

This monthly newsletter contains a selection of the previous month's official documents from the European Union. It features information of particular interest to Swiss readers and aims to provide universities, cantonal and federal administrations, lawyers, trade and financial businesses with information about the latest legal developments in the European Union. Written in English, the newsletter offers links to documents in both French and English.

The *Conférences de jeudi à l'ISDC* take place once a month on a Thursday at the SICL, where current legal issues are discussed.

- In February, the theme of the conference, is "*Enjeux et risques de l'introduction de la biométrie dans les passeports*". Switzerland, like other European States, has recently introduced the biometric passport. Lecturer, Dr. E. Arnaud, M. Espinoza and Dr. J. Richiardi, spent 24 months studying legal and technical aspects of the use of biometry in the context of a research project financed by the *Fonds national suisse de la recherche scientifique*. The conference will begin at 5:30 pm on Thursday, 21 February 2008.
- In March, Dr. G.P. Romano will present a conference on the theme of "*La sécurité juridique et la prévisibilité du droit dans les relations internationales*". The conference will begin at 5:00 pm on Thursday, 13 March 2008. Admission is free for members of the AiSDC, students, university teachers and the media, and otherwise costs 20 CHF per person. Tickets are available at the door.
